Subject: comment on the Copmensation Industrial and Business Estate EIAR

Dear Mr. Ngcobo,

Thank you for your help during our earlier telephonic conversation.

My colleague Humayrah called you shortly afterwards. Our reports were sent to you together, so since she received a confirmation of receipt, your department has received my report as well.

The EIAR is for the Compensation Industrial and Business Estate Ref number DC29/0020/09. The property is bisected by the R102 and situated immediately south of and adjoining the proposed Braeside service industrial park just inland of Ballito. The site is comprised of the following two properties - Remainder of the Farm Pencarrow No. 17860 and Portion 5 of the Farm Pencarrow No. 17860.

Please kindly check if comment on this report has been done and inform us of when we will receive it.

Thank you again for your help, it is much appreciated.
